

Make a bird flyer!

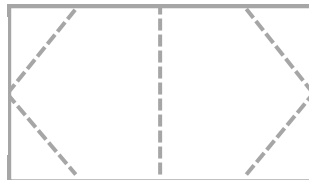

Items you will need

scissors

bird template

support template

glue

colour card

felt pens

Instructions (your grown-up can help)

1. Take a bird template, cut it out and trace around onto card.
2. Decorate your bird with patterns and colours of your choice.
3. Cut out the support template and glue it to the underside of your bird.

Bird
template

Support
template

Watch my wings flap
when you move me up
and down!
